Dear Genevie:

Thank you so much for returning my call from yesterday – however I have no idea how you knew to call me back since both of your phone numbers:

916-416-6584  
916-657-7414

State the mail box is not yet setup and then disconnects the caller. In any case I am so excited to hear back from you. I am the Executive Director for the Hollywood Media Business Improvement District and I am reaching out to the State of California specifically DMV in regards to past due Special Assessments totaling \$75,902.21 in which services were rendered by the Business Improvement District between 2005 through 2014 for Security, Cleaning, Marketing, and Administration.

It has taken quite a bit of time and hopefully I have tracked down the correct representative from DMV. Are you able to assist my organization in payment of the past due assessments?

Please advise as I can send follow up document to that affect.

Sincerely,

Lisa Schechter
